Education

Carnegie Mellon University (CMU) [2013 - 2017]
Bachelor's in Humanities + Arts (BHA) dual degree in Fine Arts + Cognitive Neuroscience
Dean's List each semester, cumulative GPA 3.92

Palo Alto Senior High School [2009 - 2013]

Experience

Art Coordinator - CMU Philharmonic [2015 - Present]
Organize art shows to precede concerts. Assemble artists, choose theme to coordinate with concert's music, organize advertising and publicize on campus and social media.

Animator - Stanford University School of Medicine [Summer 2015]
Animated a 6-week tutorial series for a Stanford University School of Medicine research study on sleep and wellbeing. The study is still being completed.

Research Assistant - fusion.tech, Inc. [Summer 2015]
Helped to plan research for a virtual reality psychological treatment product. Completed a literature review as preliminary research.

Sales Associate - Tout Sweet Patisserie [Summer 2015]
Created captivating displays of artisanal decorative pastries, practiced warm customer service, and provided deep knowledge of the food.

Merchandise Chairwoman - Alpha Phi Sorority [2014 - 2015]
Designed and produced merchandise (sweatshirts, shirts, bags, socks, scarves) for the sorority chapter. Focused on creating a brand for the sorority.

Art Director - Verde Magazine, Palo Alto Sr. High School [2011 - 2013]
Produced covers and illustrations throughout monthly news magazine, won national awards for several covers. Designed merchandise for the staff to wear.

Researcher - Lucile Packard Foundation for Children's Health [2011 - 2013]
Designed a clinical study at Children's Hospital to investigate correlation between pre-operative anxiety and post-operative recovery. Received IRB approval and began the data collection process.
